PRESS RELEASE

**EUROPEAN LAMP COMPANIES FEDERATION (ELC) WELCOMES VENTURE LIGHTING EUROPE  
AS NEWEST MEMBER**

The European Lamp Companies Federation (ELC) is pleased to announce that Venture Lighting Europe has become a member of the ELC.

Since 1983 Venture Lighting has created a constant stream of high performance Metal Halide systems resulting in a range of optimised Energy Saving *Uniform*<sup>®</sup> lamps including 200, 320, 350 and 450W together with advanced *Ventronic*<sup>®</sup> electronic ballasts. Venture also manufactures a complete range of magnetic HID ballasts and ignitors.

Jan Denneman, President of the ELC says, "We are pleased to have Venture Lighting as our newest member and welcome their expertise and perspective in both the ELC and in broader industry issues."

For over 20 years the European Lamp Companies (ELC) has represented the leading European Lamp manufacturers. The ELC is dedicated to promoting efficient lighting practice for the benefit of the global environment, human comfort and the health and safety of consumers. More information about the ELC Federation can be found at [www.elcfed.org](http://www.elcfed.org)
